EMPLOYMENT

Porthouse Theatre **Summer 2022** **Cuyahoga Falls, OH**

Electrician/Spotlight Operator - Load-in/hanging fixtures on a grid using scissor lifts, cable managing, helping with change over after each production closes, troubleshooting, and strike/load-out. Responsible for performing spotlight cues made by either the lighting designer or ALD.

Western Carolina University (WCU) **8/2021 - Present** **Cullowhee, NC**

Stage and Screen Lighting & Sound Assistant - Helping maintain University Auditoriums inventory of lighting/sound equipment and keeping them organized. Helping faculty/students in leadership positions set up productions and strike.

Bardo Production Crew - Assisting the Technical Director and touring companies with loading in equipment and set up. This includes putting together a lighting setup using a light plot provided by either the TD or touring company.
